

To the shareholders of  
Impact Developer & Contractor S.A.

## INDEPENDENT AUDITOR'S REPORT

### Report on the Consolidated financial statements

- 1 We have audited the accompanying consolidated financial statements of Impact Developer & Contractor S.A. ("the Company") which comprise the consolidated statement of financial position as at December 31, 2015, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the consolidated financial statements*

- 2 Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with the International Financial Standards as adopted by the European Union and for such internal control as management determines is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

## *Basis for Qualified Opinion*

6. As disclosed in notes 13, 14 and 32, as at December 31, 2015, the Company is involved in several litigations, which are at various stages of legal process with uncertain outcome, for which the Company's management did not perform an assessment to determine the amount of impairment allowance that maybe required to the recorded amounts resulting from the outcome of such cases. Results of our audit procedures indicate that in some cases amounts recorded as potentially receivable from counterparties in amount of RON 3,051,643 and Inventories in amount of RON 12,896,924, may be over stated. Consequently we are unable to determine the amount of any adjustments that might be necessary to be recorded for "Provisions for risks and charges", "Other operating expenses", Trade Receivables", "Inventories", "Accumulated losses" and "Current period result". Similarly, the Company has not assessed the impact on Deferred Taxes, as a result of such matters.

## *Qualified Opinion*

7. In our opinion, except for the possible effects of the matter described in paragraph 6, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Impact Developer & Contractor S.A. as at December 31, 2015, and its consolidated financial performance and its consolidated cash flows for the year then ended, in accordance with the International Financial Reporting Standards as adopted by the European Union.

## *Other Matters*

8. The Company's consolidated financial statements as at and for the year ended December 31, 2014 were audited by another auditor whose report issued on March 30, 2015 expressed a qualified opinion on the comparative figures for the year ended December 31, 2013.
9. This report is made solely to the Company's shareholders, as a body. Our audit work has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholders as a body, for our audit work, for this report, or for the opinion we have formed.
